Executive Director is responsible for hiring and firing other staff. Currently, the Executive Director is the only executive or top management official within the organization. We are fortunate to have two long time employees with the organization and now have two part time people. When hiring for any role, the executive director creates a detailed job description, determines salary based on local nonprofit averages, advertises the role in Indeed and interviews candidates and hires them based on ability and merit. We have a focus on increasing diversity within our team as well as our volunteer board, leading to some very talented members of our team.
